

AUTHOR GUIDELINES

International Journal of Advanced Computing Science and Innovation (IJACSI)

1. About the Journal

The *International Journal of Advanced Computing Science and Innovation (IJACSI)* is a peer-reviewed quarterly journal published by the Department of Computer Science, Bishop Heber College (Autonomous), Tiruchirappalli.

The journal publishes original, high-quality research in Computer Science, Artificial Intelligence, Data Science, and Emerging Technologies.

2. Types of Manuscripts Accepted

IJACSI accepts the following categories of manuscripts:

- Original Research Articles
- Review Articles
- Survey Papers
- Case Studies
- Technical Notes
- Short Communications

All submissions must be original, unpublished, and not under consideration elsewhere.

3. Manuscript Preparation Guidelines

3.1 Language

- Manuscripts must be written in clear, concise English.
- Either British or American English may be used consistently.

3.2 Manuscript Length

Article Type	Recommended Length
Research / Review Articles	8–15 pages

Article Type	Recommended Length
Case Studies / Survey Papers	6–12 pages
Short Communications	4–6 pages

3.3 Paper Format

- Page Size: A4
- Font: Times New Roman
- Font Size:
 - Title: 14 pt (Bold)
 - Headings: 12 pt (Bold)
 - Body Text: 11 pt
- Line Spacing: 1.15
- Margins: 1 inch on all sides
- Column Format: Single column

4. Structure of the Manuscript

Manuscripts should be organized in the following order:

1. Title of the Paper
2. Author Name(s) & Affiliation(s)
3. Abstract (150–250 words)
4. Keywords (3–6 keywords)
5. Introduction
6. Literature Review (if applicable)
7. Methodology / Materials & Methods
8. Results and Discussion
9. Conclusion and Future Scope

10. Acknowledgement (optional)

11. References

5. Abstract & Keywords

- The abstract should clearly state:
 - Purpose of the study
 - Methodology
 - Key findings
 - Conclusion
- Avoid citations in the abstract.
- Provide 3–6 relevant keywords.

6. Figures, Tables & Equations

- Figures and tables must be numbered sequentially.
- Captions should be clear and descriptive.
- All figures and tables must be referred to in the text.
- Images should be of high resolution (minimum 300 dpi).

7. Referencing Style

- IJACSI follows the IEEE referencing style.
- References must be numbered in the order of appearance.
- Citations should appear as [1], [2], [3] in the text.

Example:

[1] A. Author, “Title of the paper,” *Journal Name*, vol. x, no. x, pp. xx–xx, year.

8. Plagiarism Policy

- Submitted manuscripts must be original.
- Plagiarism level must not exceed 10% (excluding references).
- Manuscripts with plagiarism beyond the limit will be rejected immediately.

9. Peer Review Process

- IJACSI follows a double-blind peer review process.
- Each manuscript is reviewed by at least two experts.
- Review outcomes:
 - Accept
 - Minor Revision
 - Major Revision
 - Reject
- The review process typically takes 2–4 weeks.

10. Ethics & Malpractice Statement

Authors must ensure:

- No data fabrication or falsification
- Proper citation of all sources
- No multiple or redundant submissions
- All listed authors have contributed significantly to the work

Any violation of publication ethics will result in rejection or retraction.

11. Copyright & Open Access Policy

- IJACSI is an open-access journal.
- Authors retain the copyright of their work.
- By submitting the manuscript, authors grant IJACSI the right to publish the article.

12. Submission Procedure

- Manuscripts should be submitted in MS Word (.doc or .docx) format.
- File name should be:
IJACSI_FirstAuthorName_Title.docx

- Submissions must be sent to:
[Journal Email ID]

13. Article Processing Charges (APC)

- Currently, there is no submission or publication fee.
- Any future charges (if applicable) will be informed in advance.
